The intent of this section is to discuss any significant changes that have occurred in the agency and/or community that positively and/or negatively impacted your successful implementation of the FY 2026 comprehensive plan. Discussion should include any impact observed by judicial or prosecutorial decision, staff turnover, policy or procedure changes, new or discontinued services, etc.

Identify and describe how changes impacted your agency in FY 2026.

Identify and describe the steps taken to address the changes in FY 2026.

PROGRAMMATIC CHANGES

If changes were not addressed in FY 2026, are there plans to address them in FY 2027? If yes, they may be addressed in the Agency Case Plan section. Yes No

If no, please explain why they will not be addressed.

COGNITIVE BEHAVIORAL PROGRAMMING (CBI), NEW PROGRAMS

KDOC asks that any new programs for FY 2027 be approved prior to implementation. This link: [FY27 Approved CBI client curriculum list.pdf](#) provides a list of approved curriculum. If there is an intent to offer a new program, not on the approved curriculum list, the agency must first contact KDOC by submitting an email to Tara Newell at tara.newell@ks.gov.

AGENCY PLAN

In this section agencies are to identify the critical needs or gaps that impact the agency to include client success. Agencies are to identify and briefly explain the needs/gaps of the agency below, whereas specific goals and action steps addressing these needs/goals are created in the Agency Case Plan document.

Agency Needs

This section is available to applicants who desire to address critical needs that impact the entire agency. Agency needs encompass the various requirements essential for an agency to operate effectively and achieve its goals. These needs can be categorized into several areas, including strategies to improve client success, refocusing on vision, staff recruitment and retention, financial stability, and operational efficiency.

Does your agency have any agency needs, excluding staffing levels or wages, that will be addressed in FY 2027?

Yes No

Explain why the agency needs will or will not be addressed.

AGENCY CASE PLAN

To develop the Agency Case Plan, agencies should look at their above-mentioned needs/gaps as well as previous years' outcomes and agency program review feedback. Goals should be created for the agencies identified needs/gaps.

When completing the agency case plan, a minimum of three evidence-based principles for effective interventions are to be selected. Agencies may choose from any of the eight evidence-based principles for effective interventions to develop their goals. Additional goals that are separate from the eight principles may be used once the minimum requirement of three principles has been met.

There is no minimum requirement for the number of action steps within a goal, although agencies should keep in mind that action steps are the SMART steps needed to meet the desired goal.

Agencies are to use the [FY 27 Agency Case Plan.docx](#) to record their goals and action steps. The initial and subsequent submissions of the Agency Case Plan to include Quarterly Outcome Reports will be made through SharePoint. The initial submission of the Agency Case Plan is due 3/13/2026. As a result of correspondence with your regional contact and/or progress or lack thereof on an existing goal, subsequent modifications to the Agency Case Plan will be accepted up until 5/1/2026. After 5/1/2026 the Agency Case Plan will be final and further changes to goals will require grant signatory approval.

Please note. No additional signatures are needed for this document, as they are obtained through the grant signatory page. An accompanying signatory approval page is only required for the Agency Case Plan's Year-End report.

The Agency Case Plan should be completed in full and submitted with the application.

BEHAVIORAL HEALTH SERVICES

The state legislature allocated funds to develop or enhance behavioral health services statewide in FY 2027. This funding is not a standalone opportunity as in years past. Instead, the funding has been distributed throughout the state. The below questions should be answered by all agencies to best understand how money is being spent to address your agency's behavior health needs.

Eligible Positions and Services

1. The funds can be used to develop/support in-house cognitive behavioral programs. This would include:

SAP Programs Program Provider- A full-time position employed by the CC Agency. This person will facilitate SAP. Substance Abuse Program (SAP): as the name of the curriculum suggests, this intervention relies on a cognitive behavioral approach to teach clients strategies for avoiding substance misuse. This curriculum was developed by University of Cincinnati. ** It is recommended and best practice for SAP groups to have a co-facilitator – if staff need training to co-facilitate these groups, you may include training and travel expenses for this within your application.

Cognitive Behavioral Program Programs Program Provider- A full-time position employed by the CC Agency. This person will facilitate Cognitive Behavioral Programs. Cognitive Behavioral Program: any program that has been approved by KDOC can be provided by the Program Provider.

BIP Program Provider- This person will facilitate and/or oversee Batterer's Intervention Programs (BIP) for moderate to high-risk clients. This position may be employed by a community provider (via contract) or the CC agency. ** Before providing services, the CC agency or the community provider must obtain certification from the Kansas Attorney General's Office. For questions regarding the certification process or for assistance in developing an in-house program, please contact the Office of Attorney General, Victim Services Division at 1-800-828-9745 or at [Batterer Intervention Program | Attorney General of KS](#). ** It is recommended and best practice for BIP groups to have a co-facilitator – if staff need training to co-facilitate these groups, you may include training and travel expenses for this within your application.

2. The funds can be used for resources that help connect clients to the recovery-oriented systems of care around the state related to behavioral health. This would include:

Peer Support Specialist- A part time position employed (via contract) by: Community Mental Health Center (CMHC), Consumer Run Organization, or Mental Health Association. This position requires a self-disclosed individual who is in recovery from mental illness. They would provide mentoring-type support, recovery tools including developing recovery plans, and moving from a model of just participating or completing treatment to a recovery model. With their personal experience, they can assist the client in navigating the mental health system and connect them with support systems in the community.

Contact your local agencies/providers to determine if they have a peer support position/unit/program and if there is an opportunity to partner with them by funding a position that would serve CC clients.**There is a 6-day certification training which is available through the Kansas Department of Aging and Disability Services (KDADS) for self-disclosed persons in recovery from mental illness, who can be trained to serve in this role.

Recovery Coach/Peer Mentor- A part time position employed (via contract) by: Regional Alcohol and Drug Assessment Center (RADAC) and/or KDADS Licensed Substance Abuse Provider. This position requires a self-disclosed individual who is in recovery from substance addiction/abuse. They would provide mentoring-type support, recovery tools including developing recovery plans, and moving from a model of just completing treatment to a recovery model. With their personal experience, they can assist the client in navigating the substance abuse system and connect them to support systems in the community.

Contact your local RADAC and/or treatment provider to determine if they use Recovery Coaches and if there is an opportunity to partner with them by funding a position that would serve your clients.**There is a 2-day certification training which is available through KDADS for self-disclosed persons in recovery from addiction/abuse, who can be trained and work out of a RADAC or treatment provider's office.

Recovery Specialist - A full time position employed (via contract) by: Community Mental Health Center (CMHC), Consumer Run Organization, Mental Health Association, Regional Alcohol and Drug Assessment Center (RADAC), KDADS Licensed Substance Abuse Providers. This position could provide the type of services that the Peer Support Specialist or Recovery Coach (Peer Mentor) would provide but would not

have to disclose being in recovery. They could still enhance available behavioral health services with mentoring-type support, recovery tools including developing recovery plans, and moving from a model of just completing treatment to a recovery model. This position could also develop aftercare/maintenance/peer support groups to enhance the effectiveness of treatment and recovery through these groups that would reinforce and practice skills and continue to strengthen and help carry out recovery plans.

Care Coordinator-A full time position employed (via contract) by: Community Mental Health Center (CMHC) or Regional Alcohol and Drug Assessment Center (RADAC). This position would work with ISOs to connect clients to the necessary behavioral health services. They would help “fill the gaps” in the current system, such as provide additional case management and care coordination to enhance the effectiveness of services, keep clients connected to treatment/services, convene multi-discipline teams to staff cases, etc. This position could also develop aftercare/maintenance/peer support groups to enhance the effectiveness of treatment and recovery through these groups that would reinforce and practice skills and continue to strengthen and help carry out recovery plans.

3. The funds can be used for initial office set-up for new positions (if proposing a new position for FY 2027). Allowable expenses include desk, chair, desktop computer, laptop computer, monitor.
4. The funds can also be used to close gaps or cover costs related to behavioral health services/interventions. This would include:

Voucher Funds- These funds can only be used for things related to behavioral health, such as: Assessment fees (e.g., mental health, substance abuse, BIP, SOTP, etc.), Medication and/or Medication Assistance, Group/Treatment co-pays (e.g., BIP, substance abuse, SOTP, Anger Management, etc.), and Transitional Housing. Agencies should explain how they determined the amount requested and specifically what things you would use the funds to pay for. Funds may not be used for non-behavioral health purposes such as gas cards, transportation, food, UA supplies, non-transitional housing, etc.

To determine salaries and other expenses, it is suggested the agency reference the Division of the Budget cost indices to use as a resource for cost determinations [Budget Instructions-FY2027-06.25.2025.pdf](#).
