To Whom It May Concern:

The Franklin County Commission wishes to inform your city that the Franklin County Transfer Station, 3323 Osborne Terrace, will have a spring cleanup on April 17th & 18th for the Franklin County communities East of 59 Highway. This includes the cities of Wellsville, Rantoul and Lane.

We divide the County in half to reduce the volume of waste coming into the Transfer Station in a short amount of time. This will allow the cities to have clean-up before the Transfer Station is open to the public.

The Transfer Station will NOT be open to the public for free dumping on April 17th or 18th.

We will only be accepting roll-off containers for free dumping during this time period. The roll-off containers filled on Friday and Saturday will be allowed to dump commencing Friday, April 17th thru Tuesday, April 21st.

Please, make plans now to take part in this endeavor as we would like to see everyone participate. In sending this letter early, we hope you will be able to distribute this information to your city residents.

The Transfer Station will be open to the public for free dumping on Friday, April 24th from 8:00 a.m. to 3:00 p.m. and Saturday, April 25th from 8:00 a.m. to 12:30 p.m.

Restrictions on dumping include the following:

- ❖ **NO appliances with Freon.**
- ❖ **Tires, oil, gas tanks, burned trash residue, or liquids will not be accepted.**
- ❖ **Attention: Please do not allow boats to be put in the roll off dumpsters.**
- Household hazardous waste such as oil-based paint (NO LATEX), batteries, chemicals, etc. are collected at no charge at the Franklin County Noxious Weed Dept, Monday thru Friday, 7:00 a.m. to 3:00 p.m.

If you have any questions, please give me a call at 785-229-3170.

Sincerely,

Peg Pearson
Solid Waste Superintendent

PLEASE RECYCLE FIRST!!
