Media Release Horse placement/adoption event

The Franklin County Sheriff's Office is looking for responsible individuals who are interested in horse ownership.

Franklin County seized several horses and the court has subsequently transferred ownership to the Sheriff's Office. The Sheriff's Office is now looking to place these horses in permanent homes. There is no charge to obtain horses through this process.

Interested persons should visit the Franklin County website at www.franklincoks.org/equine to obtain a placement application. The form needs to be completed and faxed to the Sheriff's Office, no later than October 6, 2018.

The placement event will be held at the Lyon County Livestock sale barn, 502 Albert Street, Emporia, Kansas on Saturday October 13, 2018. Viewing will begin at 10 am and the placement will begin at 11 am.

To "adopt" an equine, persons must have an approved application and must bring a halter, lead rope, and an open stock trailer in good condition. Trailers deemed unsafe will not be allowed to transport a horse from this event.

No more than 2 animals per application will be approved. All placements will be completed by permanent transfer from the Franklin County Sheriff's Office.

Questions should be directed to the Franklin County Sheriff's Office, at 785-229-1200 or to Kansas Horse Education and Advocacy Team at kheartcares@gmail.com.
