

Franklin County Event Covid-19 Safety Guidance

The purpose of this document is to provide recommendations and guidance for any events or gatherings larger than 100 attendees during the COVID-19 pandemic, to help mitigate the risk of infection and the spread of the disease among County residents.

The event coordinator or sponsor should consider the following precautions:

- Taking proper steps to encourage appropriate hygiene measures –
ex: handwashing stations and/or having hand sanitizer available.
- Strongly encourage attendees to wear surgical or cloth masks.
- Recommend social distancing - 6 ft of space between individuals or residential family groups.
- Ensure bathroom facilities are cleaned and disinfected hourly

- Carnivals are prohibited.

- Food Vendors/Concession Stands:
 - Workers should be required to wear masks. Disposable gloves should be worn when handling food and must be changed when performing other tasks such as taking payment, cleaning the environment, etc.
 - Workers should not work if sick or not feeling well. We recommend screening these workers before their shift.
 - Measures should be taken to enforce social distancing for customers waiting.
 - Vendors should follow current state restaurant/food vendor guidance.

- All Other Vendors or Booths:
 - Provide hand sanitizer.
 - Encourage wearing a mask especially for indoor events.
 - Measures should be taken to enforce social distancing for customers waiting.

- Participants and Attendees:
 - Do not attend or participate if sick or not feeling well.
 - Follow other basic guidelines listed above.
