YOUR RIGHTS...

- To inspect and obtain copies of public records which are not exempted from disclosure by a specific law.
- To obtain a copy of the County’s policies and procedures for access to records, and to request assistance from the County’s Freedom of Information Officer.
- To receive a written response to your request within three business days.
- The response may inform you that it will take additional time to produce the records. Reasons for the additional time may include voluminous records, complicated requests, unresolved legal issues or difficulty in accessing records in a dead storage.
- To bring a private law suit or to file a complaint with the Kansas Attorney General’s Office if you feel you are wrongfully denied records.

WHAT RECORDS ARE AVAILABLE...?

Most records maintained by public entities are open for inspections and/or copying by individuals. Records commonly requested include, but are not limited to:
- Resolutions;
- Minutes from open meetings;
- Salaries of County Officials & employees;
- County Budgets; and
- Policies.

EXCEPTIONS TO OPEN RECORDS ACT...

The Kansas Open Records Act recognizes that some records contain private or privileged information. For this reason the Act lists a number of exceptions, up to and including:

- Personnel information of County employees;
- Medical treatment records;
- Records which are protected by the attorney-client privilege or the rules of evidence;
- Records containing personal information of which would invade personal privacy;
- Notes and preliminary drafts;
- Criminal investigation records; and
- Several other specific records outlined in Kansas Statute.

For a complete list of exemptions and exceptions, see K.S.A. 45-221. The County is only required to provide public records that already exist.

WHY WOULD MY REQUEST BE DENIED...?

Although every attempt will be made to provide the information requested, it is not always possible to fulfill the request. There are a number of reasons that a request may be denied, including:

- The specific record that was requested does not exist;
- The request was unclear and should be resubmitted with more detail;
- The record that was requested is closed to protect an important privacy interest.

REQUESTING A RECORD...

- You must request records – written, photographic or computerized.
- Request the appropriate records custodian to determine if the record you need exists or is available.
- Be ready to provide a specific description of the record you seek.
- You may be asked to submit your request for information in writing.
