Dear Ed:

I am applying to become a member of the Marais des Cygnes Basin Advisory Committee with the Kansas Water Office. The planners there are telling me that it would be wise to obtain several letters of recommendation.

Please consider recommending me as a new member of the Committee. The members serve without pay, and they give advice to the Kansas Water Office concerning future policies for our area. Your recommendation could be from you personally or from the County Commissioners.

Please call if you have any questions. Thank you for reading this letter. A sample recommendation is attached.

Sincerely,

Bob Green
