Dear James:

The City of Princeton would like to purchase salt and sand mixture from Franklin County for use on our city streets during the winter months. We would like to purchase 10-12 tons and then on an as needed basis.

If you would check into this and let us know if that is a possibility and the cost involved, we would greatly appreciate it.

If you have any questions, you may call City Hall at 785-937-4103 and leave a message on the answering machine and I will return your call, or you may call my cell phone at 785-418-3198.

Thank you for your assistance.

Sincerely,

Brenda Wadkins
City Clerk
City of Princeton
