Franklin County Response to COVID-19

Update – March 12, 2020

The Franklin County Public Health Department is aware of the increased positive cases in Johnson County. All cases have been travel related. Broader spread in the community has not been identified. There have been no changes to the situation in Franklin County.

Emergency responders and the health department continue to respond to questions and concerns of our residents. The safety of our community remains a top-priority.

Local information and County specific guidance can be found at www.franklincoks.org/covid19.

Information will continue to be released as it becomes available.
