## Franklin County Response to COVID-19

**\*\*\*For Immediate Release\*\*\***

March 18, 2020

FRANKLIN COUNTY, KAN. – The Franklin County Public Health Department is releasing more information pertaining to the COVID-19 situation in Franklin County. There has only been one positive case identified at this time. The positive case has been investigated and all precautions have been taken. In Franklin County, there have been six negative test results, four cases are still awaiting results and there are currently 30 people under quarantine orders.

The Franklin County Public Health Department continues to closely monitor the COVID-19 outbreak and is working with the Kansas Department of Health and Environment (KDHE), as well as other Franklin County agencies to manage the situation.
