

*Still getting to know each other? Know you're not ready for a family? When you visit the Franklin County Health Department, you will receive comprehensive education to help you make the best decision for yourself.*

# FAMILY PLANNING

Our Family Planning program provides preventive and reproductive health care services to both men and women.

## SERVICES

- Health education
- Contraceptive services
- Physical examination for women on admission and annual exam
- Pregnancy testing, counseling, and referral
- Contraceptive refills and quick starts
- HIV testing, STI exams and treatment

*All services are private and confidential.*

## PROVIDER

Patti West, APRN, has more than 30 years experience in women's and men's sexual health and family planning. She is ready to provide comprehensive services to you. Our nurses have advanced training in sexually transmitted infection (STI) exams for diagnosis and treatment.

*Patti West, DNP, APRN*

## COST

Clients are charged on sliding scale fees. Insurance is accepted. Self-pay options are available. No one has ever been turned away for an inability to pay. Donations are appreciated.

*To schedule an appointment, call 785-229-3530.*
